Experience

R/GA
New York, NY
Visual Designer
June '09 - Current

Freelance storyboard illustrator for many web projects. Created final vector illustrations for animated web banners and landing pages.

Work was done for multiple departments, seasons, and campaigns on the Walmart website.

Eye Integrated Communications
Greenville, NC
Junior Designer
August '06 - March '09

Designer and illustrator for web, motion, and printed projects. Concepted logos and ad campaigns, designed websites and their functionality, and illustrated promotional materials and posters.

Clients ranged from pharmaceutical manufacturing, cardiovascular health, and regional tourism to children's literature, local retail, and catamaran sales.

GuaranTees
Greenville, NC
Designer & Printer
August '05 - August '06

Designer and screen printer for garments and promotional products. Other duties included taking orders, burning and registering screens, packaging orders, producing vinyl banners and signage, and communicating with clients.

Clients included local businesses, school organizations and clubs, and the Pitt County Girls Softball and Fall Fast Pitch league.

Capabilities

Deep knowledge of Photoshop, Illustrator, and InDesign applications for both Mac and PC.

Experience with Microsoft Office, Intaglio and Screenprinting, Photo retouching and color correction, and creating production files.

Education

BFA in Illustration, East Carolina University School of Art and Design, May 2005
